

Made in USA!

The COMPACT DC 500 Niagara Wet Dust Collector

Our Newest Wet Dust Collector

Midwest Automation is pleased to offer our latest model, the **DC 500**, to our line of **Niagara Wet Dust Collectors**. The DC 500 is a compact, wet dust collector designed for use with Midwest's Mini 9 and MAX 9 Deburring and Finishing Machines, and small centerless machines.

The COMPACT DC 500

Portable. Economical.

Made in USA!

- Wet dust collector designed for steel and stainless steel applications
- For use on narrow wide belts like the new Midwest Automation Mini 9, MAX 9, and Rand-Bright RB 10 small finishing machine
- Portable, compact design
- Corrosion free high density polyethylene and ABS polymeric construction
- 2 HP blower and 30 micron exhaust filter
- 110V/60Hz/1 phase power requirement
