NEW CONVEYOR BELT TRACKING SYSTEM

January 2007

With the introduction of the new Midwest Sandright Patriot series sanders, the conveyor belt tracking system was redesigned to be eliminate the need for manually adjusting the conveyor belt tracking.

Now available as a retrofit kit on most Burlington, Rand-bright, and Midwest Sandright 75 series sanders, metal or wood.

The retrofit kit includes an airbag, pneumatic switch and mounting hardware to be externally mounted in the field.

For more information or to request a quotation, please contact your Midwest Parts & Service team toll-free at 1-800-697-1444 or via email at service@midwestgroupone.com.

Actual conversion kit is externally mounted on conveyor.
